Attendance

There are a fair amount of students/families who may want to consider school attendance, as a New Year's Resolution.....Please be punctual and attend every day possible. Tardies and absences are hard on the system and, most importantly, student learning.

Expression of Joyfulness

On behalf of the BCCS faculty and staff, I wish each of our school family members a blessed and wondrous holiday season.

We hope that families make opportunity to get together and enjoy the company and the many gifts this season brings.

We hope that all of you make time to rest, relax and rejuvenate for the new year.

We hope those who are traveling are safe and stress-free.

We hope that 2020 brings good fortune and happiness to each of you.

We ask that each of you come back from the break with a renewed spirit for learning and making the best of your time in this school.

And we wish each of you a Merry Christmas and a Happy New Year!

W/ Peace and Care,
Mark and the BCCS Faculty and Staff
