7/31/20

Dear Parents and Guardians of BCCS,

Happy Summer! I trust each of you and your families are enjoying the summer months. It has been a warm yet beautiful summer in Michigan, and a great summer for gardens: ours is producing fruit and vegetables like none other in past years.

This update is sent to provide an overview of the BCCS *Back to School Plan* for the 2020-21 school year. Please note, this is only an overview and timely detailed information will follow, as appropriate. Most information will be shared through my weekly updates each Friday, yet a few specific items will occur during the week. Additionally, I will communicate items through Zoom videos along with some written items in hopes to make it easier to receive for parents/guardians and families.

Below are a few links: the first is the road map followed by the BCCS overview for the 2020-21 Back to School Plan. The second is a link to our digital commencement ceremony for our graduates and the third is a link to our website to show a digital tour we put together for potential new families. This is part of a series of items to market our school, so please share with friends who may be interested in our school.

Finally, we hope that you take time to enjoy the fruits of summer with your families, and we look forward to an exciting school year with our BCCS school family.

With Care,
Mark R. Kasmer

Chief Administrative Officer BCCS
