11/17/20

Dear Parents/ Guardians and BCCS HS Students,

While for many of you this will be the third time we have moved the HS Students to remote learning this year, below is the information of what to expect starting tomorrow Wednesday-Friday, then after the Thanksgiving break Monday, Nov. 30 thru Tuesday, December 8th.

Just a reminder, that next week Monday and Tuesday, the students will have non-synchronized assignments to complete and submit in hrs 4,5 and 6 on Monday and hrs 1,2 and 3 on Tuesday.

*Assignments will be posted to google classroom.

*Assignments are expected to be completed on Monday and/or Tuesday

*Assignments will also be used for attendance purposes.

Please note:

- Parents will *not* be expected to complete the daily COVID Screener during this entire time.
- Food services will continue through BCPS. Additional information will be forthcoming.

Remote/Distance Learning Plan.....What To Expect...Revisited

Remote/Distance Learning Plan

- Students will continue with their education as a Remote/ Distance Learning Format.
- Classes will be synchronized 2 times per week : meaning scheduled times
 - Attendance is required and will be taken
 - Parents are to follow normal absence protocols if students are unable to attend
 - Teachers are required to contact the student/parent if there is not an excused absence

Weekly Schedule

Mondays and Wednesdays

4th hour 11:50 -12:50

5th hour 12:55 -1:55

6th hour 2:00 -3:00

Tuesdays and Thursdays

1st hour 8:00 - 9:00

2nd hour 9:05 -10:05

3rd hour 10:10 -11:10

Fridays and Days not in Session

Teachers will be available during the scheduled class time to answer questions and help with work, but students are not required to attend.

Devices

- All students were issued a chromebook to connect with the teachers courses
- The devices have a landing page with links to your child's g-mail, teachers email accounts, google classroom and other BCCS educational resources.

Classroom Codes

- Teachers assign course codes in google classroom
- Students receive and invite from teacher to register for course
- If students registered for the courses, the select google classroom link on landing page and their courses appear.
- If they have not registered the course codes are available on the teachers page in the staff link on the landing page. Copy the course code, open google classroom and paste.

Students with Special Needs

Contingency Learning Plan (CLP)

Students with special needs have Contingency Learning Plans specifically designed to address programming and services in Remote/Distance Learning environments. In most cases, the students will follow the normal schedule and attend classes with Resource Room Teachers .

Itinerant Support Services

Itinerant staff,(ie Speech, Social Work, Physical Therapy, Occupational Therapy) will contact parents and guardians to schedule times for services based upon the students Individualized Education Plans.

In Closing

As always our success depends upon our ability to do this well. The students know the routine, yet as adults we need to stay tuned-in to each student's performance, and we all should communicate with one another when needed. Please send questions to the office or to a specific teacher, as appropriate.

Your continued engagement and support is appreciated.

With Care,

Mark R. Kasmer
BCCS Principal
