MISCELLANEOUS:

Becky Deyoung presented a proposal to start some new traditions for the Senior Class students. She would like to see their last year at BCCS be special and memorable for them. Some ideas include: parents decorating their lockers, special challenges or dress-up days once a month only for their class, having a "Senior Skip Day" or an "All Nighter" event after the Graduation ceremony, and having a "Class Project" that the students

come up with on their own and work on together throughout the year. Becky will follow up with the Senior High teachers to work on some ideas and plans and follow up with the PTO to see how we can be of assistance.
