Attendance Dana Coffey*, Lisa Lytle*, Christine Syswerda*, Principal Kasmer,
Miss Owens, Ashley O'Neal, Pam Anderson*

A Quorum was reached *Denotes PTO Board Members

Review & Approval of Minutes from November 7, 2019 PTO General Meeting. Minutes approved.

Principal's Repo

- Checking into options of teacher tailored school supply kits for K-8. Otherwise will be for K-5 grades only. Will get the final info and should start promoting by Spring of 2020.
- FansRaise program is underway to raise money for needed band equipment. There will also be some letters sent to local businesses in the hopes of getting some end of the year contributions. The target goal is \$12,200 to purchase a Baritone Saxophone, a ¾ size Tuba, and a 4th Timpani Drum.
- Hat & Mitten Tree Collection currently happening in the main hallway headed up by Mrs. Timmerman.
- Eagle Assembly tomorrow @ 8:15 am
- New PE teacher Miss Mulcock is doing great things and has been well received by the students.
- Candidate has been interviewed for the High School Resource Teacher open position.
- Miss Owens and the elementary teachers have taken up collections in the past for a gift to Mrs. Kingsley and Miss Rowsey on performance nights and had a student representative present it to them. She is wondering if this would be something the PTO would consider heading up from now on for Mr Beyer, Miss Rowsey, and Mrs Kingsley and take the financial responsibility for. She feels it would mean alot having it come from the school as a whole and not just fellow teachers. PTO members were in agreement that this was a reasonable request.

President's Report

- Mother Son night:
 - Game Night was a big success and well liked by the school families that participated.
 - Could have used more volunteers to help with set up and snacks.
 - Possibility has been brought up to rotate every other year with a Father/Son & Mother/Daughter event. Will discuss further for next school year.

Holiday Shop:

All supplies are here and ready to go. Will be holding event in the portable building again. Will need to set up the afternoon before after school. Will make sure After School Care has an alternate place to go.

Vice-President's Report-

- N/A

Treasurer's Report

- Disbursements / Reimbursements
 - No Disbursements
- Balance Sheet Review: Current Balance is \$12,662.56
- Scholastic needs verification for enrollment of K-8 students. They also need a 2nd contact person on file in case of Lisa's absence. President Dana Coffey offered to be the contact.

Secretary's Report

- Looking into the possibility of switching suppliers for our BCCS Apparel. Spoke with Terri Rexford from Halo in Holland, MI and sent her a copy of our current pricing and Logo. She sent some information on

pricing and clothing options available through their company. Will forward the email to all PTO members for review and discuss further before making a final decision.

- With the changing of all new PTO member positions this school year, I am suggesting we meet informally to get to know one another better and discuss our roles and future possibilities for team building. Will attempt to get together over the Christmas Break.

- **Scrip Report** _N/A

Adjournment: 4:10 pm _____

Next Meeting: Thursday, January 9th, 2019 at 3:30pm, HS Science Room
