Review & Approval of Minutes from February 13, 2020 PTO General Meeting. Minutes approved.

Principal's Report

- There have been some updates/changes put in place as a result of possible exposure/spreading of the Coronavirus in our school and student population. (1) Grandparents Day has been cancelled for next week to avoid the gathering of such a large population of people especially in the older/high risk age group. (2) Reading Buddies as well as Kids Hope in person mentoring will be currently put on hold. (3) Festival of the Arts will be postponed. The school is trying to be as pre-emptive as possible for an emergency situation if we are mandated by the federal or state government to shut down.
- The school is currently looking at some updated security measures and possible grants to be used for the future.
- The upcoming year school calendar is set for BCCS to start 1 week before Labor Day 2020.
- The summer GRASP program provided by GRPS should have information coming to us by April 2020.

President's Report

- Grandparents Day planning update no longer needed due to the event being cancelled.
- Frandale Sub Sale review. Our total sales profit for this event was \$1485.20. We will discuss at a future date whether we will host this fundraiser event again next year.

Vice-President's Report

Treasurer's Report

- Disbursements / Reimbursements
 - No Disbursements
- Balance Sheet Review: Current Balance is \$11010.92
- Book fair review: Lisa is waiting to hear back from our rep Melissa for our total sales. Principal Kasmer is looking to use some of the Scholastic Dollars for Good Deed awards.

Secretary's Report

- Discussed the need again for some team building/discussions to take place so we can run things a little more efficiently and smoothly for next year. As the team members were mostly new this year, we need to have a better handle on what our roles and responsibilities are and possibly designate certain tasks to certain members so things are not getting missed or slipping through the cracks. Will work on setting up a time to meet and discuss in the near future.
