8/20/20

Dear Parents/Guardians ,

This letter is sent to update the parents/guardians of BCCS students who have selected the on-line school option for the first semester of the 2020-21 school year.

At this time, we have registered the school for the Edgenuity and the k-5 hard copy materials have been ordered. Tomorrow, we have a scheduled meeting with our Edgenuity Representative to finish preparation for student enrollment. We are also setting-up the laptops with the links for the program. The laptops should be ready for pick-up next week Tuesday -Thursday. Times will be forthcoming.

Parents and students need to be ready to select courses where appropriate. Below is the list of courses taken at BCCS by grade-level. As noted earlier, student selections of online courses must follow the BCCS grade-level courses. You'll note there are either or options at k-5, 6th grade has all courses scheduled and the 7-10th graders have an elective course to select.

As soon as we know and understand the process for registration, a BCCS representative will contact families to set-up the courses. Additionally, parents of K-5 students need to identify an in home Learning Coach (see guidance below).

Finally the complete list of Edgenuity course options ( grades 6-12 and K-5) is provided for your consideration.

There are still a couple loose ends. More information will follow as received, yet we plan to have all students registered and the laptops deployed by next Thursday.

Please hold questions until the next correspondence, as we will have more specific details at that time.

With Care,  
Mark R Kasmer  
BCCS CAO
