3/11/21

Dear Parents/Guardians of BCCS Students,

I hope this newsletter finds you and your family well and happy. This is sent as an update regarding timely informational items for your awareness and understanding.

2021-22 Enrollment

- **Enrollment Forms:** Enrollment forms for **current** BCCS students are being sent home this week. Please enroll early! Each student is issued a form and the final date to secure a spot for next year is April 15. This includes completing the new student registration forms located on the [enrollment page](#) on the school's website **for siblings entering Kindergarten and/or new to the school.**
- **Enrollment Incentive:** Just a reminder about our school's [Enrollment Incentive Initiative](#). We encourage our BCCS families to take advantage of this opportunity.
- **Kindergarten Round-Up and Open House:** In the recent past BCCS has held Kindergarten Round-up and an Open House at the same time. This year there will be two events on separate nights, and the dates have been changed. Informational flyers will be shared in short order.
 - Kindergarten Round-Up has been moved to Tuesday, April 13 from 6:30 to 7:30 PM.
 - The School's Open House has been moved Tuesday, April 27 from 6:30-7:30 PM.

Festival of the Arts: BCCS is pleased to announce that we will hold our beloved Festival of the Arts this year on April 1. While the details have not been fully worked-out, given the continued limits on gatherings, this event will primarily be held virtually with limited in-person audiences (see [flyer](#)). We intend for members of the BCC School Community to have live digital access to the event. An announcement was made to students this week and entry form information was distributed to all students and the parents of our elementary students. We encourage students to participate as we hope to have another great program showcasing our talented students and staff.

Mid-High Progress Reports: Middle and High School student progress reports were sent home last week. Students are required to return the report with a parent signature. If your child has not already done so, please have the reports returned by Monday.

Attendance Protocol: If parents are using email to communicate student absences with the school, please use the office email address rather than an individual gmail account

office@byroncentercharter.org. Incidentally, as of this week we welcome Mrs. Boersma. We also want to extend our appreciation to Mrs. Ayers and Nurse Schrader for filling the void while Mrs. B was on leave...Thank You and Welcome Back!

MS Cross Country: A folder of informational items regarding the BCCS MS (grades 6-8) Spring Boys and Girls Cross Country Teams was sent home with interested students today. If interested, please return the permission forms as soon as possible (deadline March 22).

We need 15 or more students to field a team....Let's Go Golden Eagles. Please contact Coach Stowers (lstowers@byroncentercharter.org) for questions and related info.

Spring Forward: A friendly reminder to move clocks ahead one hour Saturday night: Daylight Savings Time begins Sunday March 14.

Closing....

On behalf of the BCCS Faculty and staff, please know that we are grateful for your continued engagement and support of our school community. Feel free to contact the office if you have questions or need assistance with school-related items. Have a wonderful weekend and take full advantage of the favorable weather we are experiencing.
