Parent Culture Surveys for School Improvement: As part of the School Improvement process, the building SI Team asks that at least 1 parent in each family complete an annual School Climate survey. The survey will take approximately 10 minutes to complete. If you have not already done so, please complete the survey by Friday, April 29. [LINK](#)

Tentative Summer Programming: Our school plans to have summer programs for all levels. The recommended summer programs will target students who are not consistently performing at grade level. The tentative plan for recommended students include:

- K-3 Recommended In-Person Summer School: 8 days in June and 8 days in August
- 4-8 Recommended GRASP packets in Reading and/or Math with Tutoring: same dates as K-3 Summer Program
- HS Credit Recovery Courses with Tutoring: Scheduled weekly dates for tutoring and testing from June through the first week of August.

*** Information will be forthcoming by the end of the month***

In Closing.

There have been requests to reschedule events that were canceled due to COVID restrictions and mitigation strategies. Inquiries include Grandfriends Day, Mother Son and Daddy Daughter Events, and GameNight. While I recognize the importance of getting members of the school community together outside the school day, due to time constraints and multitude of events at the end of the school year, we are unable to hold these events this year. I apologize for the disposition. Please know, BCCS is a special place that values opportunities to make personal connections, and we look forward to holding these events in the future years. Your awareness and understanding is appreciated. MK
