Dear Parents/Guardians of BCCS K-12 Students,

Well...here we are, another successful year in the books. In looking back, this year has proven to be a restart per say, after the previous two years being impacted by the pandemic. As you know, our small but mighty school is quite agile and we are well on the road to recovery from the most difficult time in the history of education, let alone our school.

At any rate, this update is sent with regard to timely end-of-year school related information. The first of the week more detailed information will be sent regarding summer programs for students and specific information sent to the parents of those students involved with credit recovery, K-3 Extended Year/Early Start and MS math tutoring participants. Additionally, information pertaining to the 2023-24 school year will be sent to all BCCS Families at the end of the month. Your consideration and awareness is appreciated.

Office Schedule: The office will be open next week from 8-3 except on Tuesday afternoon as the office will be closed for our annual end of year staff celebration.

Report Cards: With the exception of Kindergarten, 1st -11th grade student report cards will be sent home by mail on Thursday of next week. The MAP Family reports for grades 1-8 for reading and math (to include science for 4th and 7th grades) will accompany the report cards. M-STEP and SAT, PSAT and ACT WorkKeys reports will be sent home with students (or sent to the schools of students leaving) at the start of the 2023-24 school year.

Summer Programs: As noted above more detailed information will be sent home the first of the week with specific schedules sent to participating students. The general programs are as follows:

K-3 Extended year Early Start In house Program

3-8 GRASP Math and Reading Self-Paced Home Study Program (Due to school by August 8 for Summer Success Award)

6-8 GRASP Math Tutoring (designated dates for participating families forthcoming)

9-12 Credit Recovery Courses (designated dates for participating students forthcoming)

Questions?...Please contact the school office

YearBooks

Orders were due on **Thursday, June 8**. Yearbooks will be delivered to school in the fall. If you have any questions, contact Mrs. Humes (khumes@byroncentercharter.org).

Looking Ahead:

- The annual New Family Orientation, Meet the Teacher/Open House for the 2023-24 school year is scheduled for Thursday, August 24th
- 2023-24 First Day of School is Monday, August 28 (½ Day with no food services)

In Closing..... On behalf of the BCCS Faculty and Staff, I congratulate the BCCS Students and families for their individual and collective successes this past school year. We also take this opportunity to recognize the parents/guardians for their cooperation, support and commitment and in the BCCS School Community. Finally, I ask that we all share our appreciation to the faculty and staff members of BCCS for the commitment and care for the students and families of BCCS. Together, we set the condition that make a difference in the lives of our students.

W/ Care, MK
