Review & Approval of Minutes from December 15, 2022 PTO General Meeting. Minutes approved.

Principal's Report:

- Principal Kasmer spoke on BCCS school performance. BCCS continues to have a high rating, staying strong through challenges proving we are a smaller yet very mighty school.
- The new grants are now being implemented by two new hires who will help our at-risk students and work with them on our current D.R.I. curriculum.
- Mr. Kasmer has put out a vocal request for all remaining Holiday Shop's to be for K-5th grades only. He would also like to see the shop reserve one day instead of the two days we reserved for it in the past.
- The calendar of events has a few more changes, one being that Babysitting Night is canceled out of concern of too much illness still circulating the school at this time. Grandparents Day/ Special Persons Day is also canceled due to the risk of illness being too high. Blood Drive is coming up on February 1. Mother-Son night is Feb 10, 2023 and a Daddy-Daughter Dance is scheduled for Feb 17, 2023

President's Report:

- Dana Coffey was absent due to illness.

Vice-President's Report

- Mother Son night was moved to February 10th. Many ideas were brought forward including a drive in movie night, dinner and a movie, disney theme, 1940's theme, rental arcade games, obstacle course, lip sync battles, winter fest, superhero night, scavenger hunt, capture the flag and minute to win it. Attendee's of the PTO meeting loved the arcade idea, however rental is too expensive per game. We will get in touch with Mrs. Arringdale about the obstacle course idea. Maybe mix obstacle course with the winter fest idea. Final decision to to made by 01/ 20/ 23
- Daddy Daughter Dance is Feb 17, 2022 . We would like to coordinate with the student council since they plan a dance very close to this date. PTO meeting attendees along with Mr. Kasmer decided to go with either a Paris theme dance or a winter wonderland theme dance. Student council will make a final decision on the theme asap.
