Good afternoon BCCS Community!

We are off to a great start of the year! Our character traits for September are cooperation and teamwork!

**Cooperation:** the process of working together to the same end.

**Teamwork:** the combined action of a group, especially when effective and efficient. We ask for your help in emphasizing these traits throughout the month.

**Our School Carnival** is right around the corner, and this year is extra special, we're celebrating our school's 30th anniversary! It's going to be a big, joy-filled evening packed with games, prizes, treats, and all the excitement that makes these events unforgettable.

To make the celebration run smoothly, we're looking for volunteers to help with booths, snacks, activities, and all the fun in between. Even one short shift makes a huge difference and helps us create a magical experience for our students.

If you're able to lend a hand, we would be so grateful. [Sign-up](#) is quick and easy, and you'll be part of a milestone moment in our school's history.

Thank you for helping us make our 30th anniversary carnival one to remember.

**6th-12th Grade Technology:** If you have not already filled out the [26-27 Student Take Home Permission slips](#) to allow your child to bring home their chromebooks, please do so as soon as possible. This form was sent out at the beginning of the year.

Also, if you are interested in purchasing our [technology protection plan](#) these forms will be sent home with your child on Monday September 14th. Please fill it out and return to the office no later than September 30th.

**2026 Keycards:** Are now available for purchase! This book with hundreds of coupons to local businesses and restaurants is a great way to save money on everyday purchases. They also make great gifts. Proceeds raised go directly to the 11th and 12th grade students going on the Washington D.C. spring break trip in 2028. Purchase from any sophomore or junior or contact Mr. Emmelkamp at [bemmelkamp@byroncentercharter.org](mailto:bemmelkamp@byroncentercharter.org) for more information.
